**Europarl: European Parliament Proceedings Parallel Corpus**

The corpus was prepared by Philipp Koehn. The process is described in *Europarl: A Parallel Corpus for Statistical Machine Translation*, Philipp Koehn, (MT Summit 2005).

All material is taken from [http://www.statmt.org/europarl/](http://www.statmt.org/europarl/).

**Changelog**

**v7.0 (May 2012)**

- A further expanded and improved version of the corpus was released on 15th May 2012.

**v5.0 (May 2010)**

- A corpus further expanded and improved version of the earlier version was released on 20th January 2010.
